

JENNESSA WOLFE

Hi, I'm Jennessa! I have been dancing at Cobequid Dance Academy for twelve years.

I have loved all my dance classes but prefer Hip Hop and Jazz. I am a current member of Elements Crew and CYCo. I have been part of the Teaching Assistant Program at CDA for the past two years which has allowed me to gain valuable skills as a Student Teacher.

Dance has provided the foundation for all of my other athletic pursuits. I hope to inspire young dancers the way that I was inspired by all my dance teachers. It is an honour to be able to teach dance at CDA with my lifelong friend, Maria Putnam!
